World's Best Water Adventures

FROM TAKE OFF...

Get ready for incredible water thrills as White Water presents the Fuji Film WaveRunner Spectacular – a water jet stunt show – and the Wildfire High Dive Stage and Stunt Show!

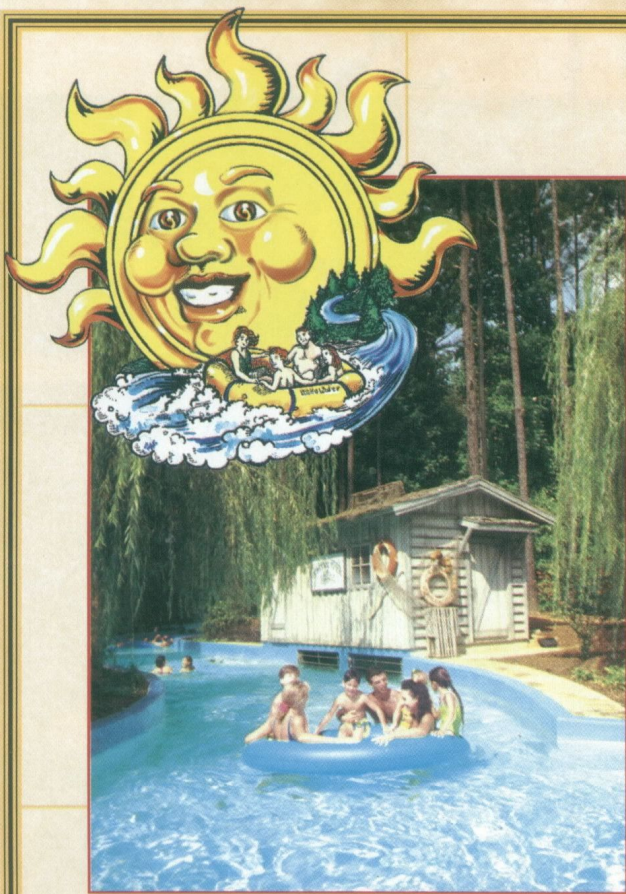

Watch dauntless daredevils perform acrobatics and sensational feats that have thrilled audiences around the world.

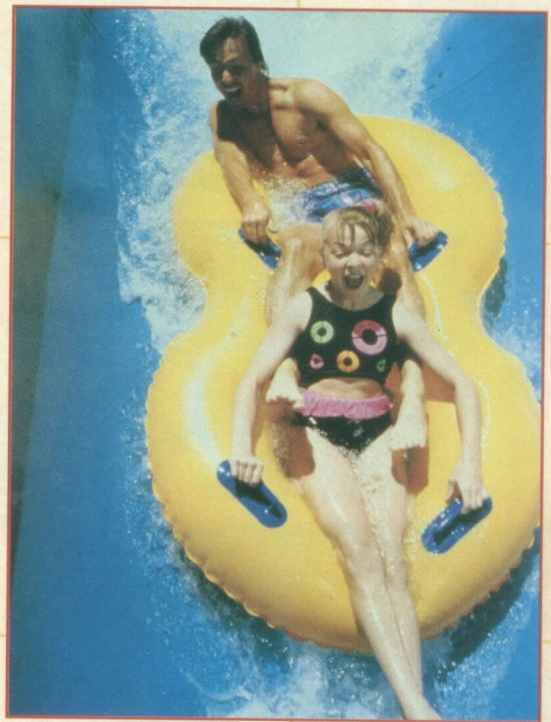

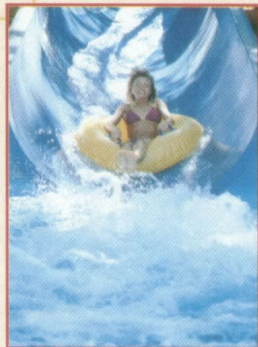

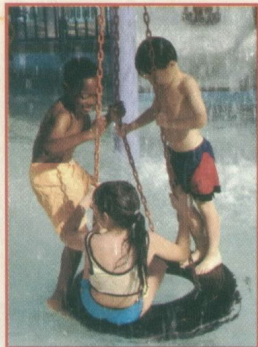

You'll marvel as professional water jet champions from France – in their U.S. premiere performance – make awesome maneuvers you would never have believed possible!

You'll gasp as athletes from the U.S. High Diving Team, direct from Las Vegas, leap from breathtaking heights, turn somersaults and ignite themselves on fire before plunging into the water!

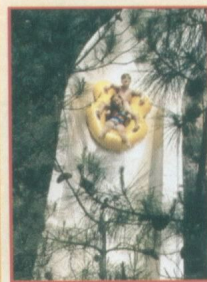

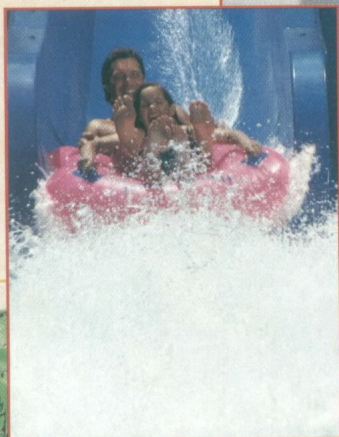

Set amid 40 acres of trees, flowers, cascading water falls and lazy rivers, White Water is recognized as the most scenic water park in the country!

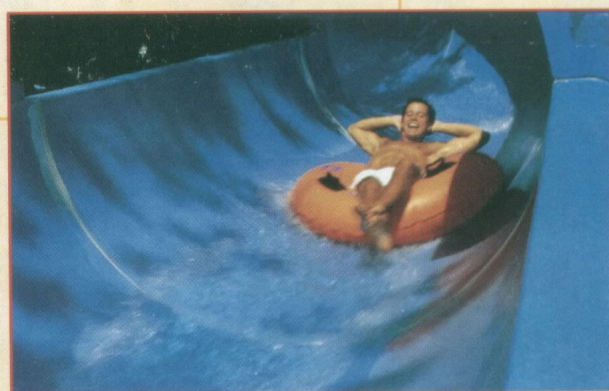

Take your pick of more than 40 attractions and rides that make White Water one of the top three outstanding water parks in the United States!

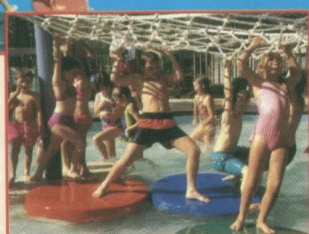

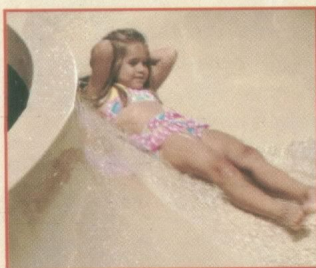

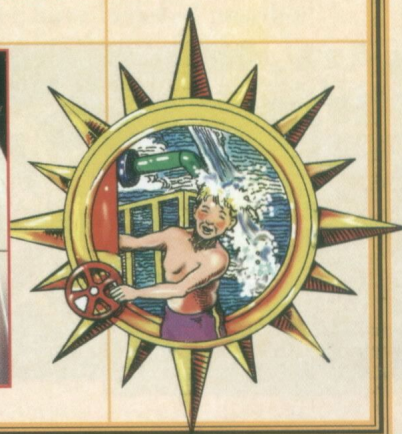

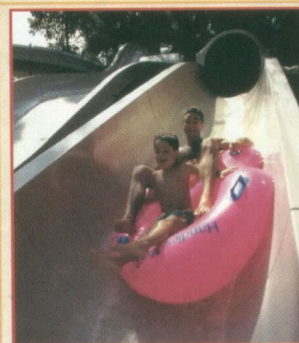

Your whole family can ride together on the Bahama Bob-Slide— over two football fields long!

Sluice down the Bermuda Triangle or Black River Falls for double the thrills and twice the spills!

Stretch your sense of adventure to the limits in our Activity Pool.
